

Special Note to Residential Care:

Covenant Youth Empowerment is licensed by the State of Georgia to administer mental health to adolescents, children and adults, we are ready to be your partner. Selecting the right services means you gain a partner that contributes to the growth of your organization and help you stay compliant.

As a residential facility you face many challenges on a day-to-day basis and it's important that you choose the best counseling service for your business. Because of our extensive knowledge and experience with residential programs, we are greatly aware of the problems you face.

As you CORE Provider, we can make the following promises:

- Professional and respectful employees
- Timely arrivals
- Staff availability for crisis situations
- Collaborate with school, staff, and other professionals
- Availability for utilization, court hearings, and DJJ Meetings
- Transportation of your residents to our treatment center
- Provide monthly reports
- Monthly health and drug screens

We are comfortable making these promises because we understand what your agency needs in a CORE Provider. It is our goal to provide you with exceptional services that will help you succeed in your operation.

We are here to address all your concerns regarding our services. Please call today!
